## Instructions of use

<b>First step</b>	Please check product prior to hanging. Irregularities in material are characteristic for this product. They do not entitle to claims. Claims after usage will not be accepted.
<b>Hanging</b>	<p>Cut LECO Intex length to according height.</p> <p>Use the glass fibre adhesive LECOLLE Universal observing manufacturer's instructions. <b>Or</b> apply a first coat of plaster onto your wall. Work LECO Intex into the wet layer of plaster, using a brush. Finish work applying a second coat of plaster to cover the fibre glass mesh entirely.</p>
<b>Note</b>	The statements above are general recommendations. We exclude any claims based on work conditions and wall constitutions on which we do not have any influence. In case of doubt please test.
